Strategic Implementation

COLORADO CHARTER SCHOOL INSTITUTE

First, identify your most impactful current *strategy*.

A *strategy* is a new or updated process or approach that ultimately will address identified root causes.

_____

_____

_____

_____

_____

Next, hone in on *desired behavior changes*. Set *benchmarks* for each behavior change and identify current or potential *barriers* to each behavior change.

Behavior changes are adult actions that will be impacted by successful implementation of the identified strategy.

1. Behavior change:

What:
_____
_____
_____

Who:
_____
_____

Benchmark(s):
_____
_____
_____

Use page two to list barriers.

2. Behavior change:

What:
_____
_____
_____

Who:
_____
_____

Benchmark(s):
_____
_____
_____

Use page two to list barriers.

3. Behavior change:

What:
_____
_____
_____

Who:
_____
_____

Benchmark(s):
_____
_____
_____

Use page two to list barriers.

Finally, identify the *outcomes* you would like to see as a result of this strategy.

Outcomes are student-level performance achievements.
