

Welcome!

Thank you for participating in the 2019-20 CSI Safety Survey. The survey covers three domains: Safe School Plans, Internet Safety, and Emergency Readiness and Incident Management, and is designed to gauge the extent to which your safety efforts align with CSI, state, and federal requirements.

The survey is designed to take approximately 15 minutes to complete.

Identifying Information

* 1. Name

* 2. School

Safe Schools Plan: C.R.S. 22-32-109.1(2)

* 3. Does your school have a School Safety Plan?

Yes

No

* 4. Please check all that apply regarding your School Safety Plan:

The School Safety Plan is posted for viewing in our school.

The School Safety Plan was developed in consultation with key stakeholders such as the school accountability committee, parents, teachers, administrators, and students.

All students receive a copy of the conduct and discipline code upon enrollment.

* 5. Does the School Safety Plan include policies that address student conduct, safety, and welfare?

Yes

No

* 6. Does your School Safety Plan include a conduct and discipline code that addresses each of the following (check all that apply):

- General policies on student conduct, safety, and welfare
- A policy for dealing with disruptive students
- A policy with provisions for the initiation of suspension or expulsion proceedings for habitually disruptive students
- A policy on addressing how and when school staff may use physical intervention or force when responding to disruptive students
- A policy for determining circumstances in which disciplinary actions, including suspension and expulsion, shall be imposed in accordance with law
- A policy concerning gang-related activities
- Written prohibition of students from bringing or possessing dangerous weapons, drugs, or other controlled substances and from using drugs or other controlled substances on school grounds, in a school vehicle, or at a school activity
- Written prohibition of students from using or possessing tobacco
- A written policy concerning searching on school grounds, including searches of student lockers
- Dress code policy
- A specific policy concerning bullying prevention and education
- A policy concerning the use of restraint and seclusion on students, including information concerning the process for filing a state complaint regarding the use of restraint or seclusion
- Notification requirements for alerting parents when a school employee is charged with certain crimes that may put children at risk, as well as a procedure for notification for when school is not in session

7. Do the policies and procedures for dealing with disruptive students (check all that apply):

- Include a statement that, upon the third removal from a teacher's class, the teacher may remove the disruptive student from the teacher's class for the remainder of the term of the class, provided that principal of the student's school or his or her designee has developed and implemented a behavior plan for the student.
- Include a due process procedure, which at a minimum shall require that, as soon as possible after a removal, the teacher or the school principal shall contact the parent or legal guardian of the student to request his or her attendance at a student-teacher conference regarding the removal.
- Comply with applicable federal and state laws, including but not limited to laws regarding students with disabilities.

8. Regarding your student conduct and discipline code, please check all that apply:

- Student conduct and discipline policies and procedures are applied and fairly, and are consistently enforced for all students
- Student conduct and discipline policies impose proportionate disciplinary interventions and consequences, including but not limited to in-school suspensions, in response to student misconduct, which are designed to reduce the number of expulsions, out-of-school suspensions, and referrals to law enforcement, except for such referrals to law enforcement as are required by state or federal law
- Include plans for the appropriate use of prevention, intervention, restorative justice, peer mediation, counseling, or other approaches to address student misconduct, which approaches are designed to minimize student exposure to the criminal and juvenile justice system

* 9. Do you plan to review and revise (if necessary) your Safe School Plan and policies during the 2019-20 year?

Yes

No

Describe:

10. Is your school aware that the Claire Davis Act went into effect on July 1, 2017 and pursuant to the Act schools may be liable for up to \$350,000 for any injury to one person in any single occurrence, and \$990,000 for any injury to two or more persons in any single occurrence?

Yes

No

11. In response to the Claire Davis Act, my school has implemented recordkeeping procedures to ensure we can demonstrate that we took steps to prevent incidents of school violence if a case of school violence were to occur and we have considered speaking with our legal counsel and insurance broker for additional advice.

True

False

12. Any additional comments regarding your Safe Schools Plan or policies (optional):

* 13. Does your school have an Internet Safety Plan?

Yes

No

* 14. Does your Internet Safety Plan address the following topics (check all that apply):

Blocking or filtering access by minors to inappropriate matter on the Internet

The safety and security of minors when using electronic mail, chat rooms and other forms of direct electronic communications

Unauthorized access, including so-called "hacking," and other unlawful activities by minors online

Unauthorized disclosure, use, and dissemination of personal information regarding minors

Personal safety in interacting with persons on the internet

Recognition and avoidance of on-line bullying

Technology, computer virus issues, and ways to avoid computer virus infection

Predator identification

Intellectual property, including education concerning plagiarism and techniques to avoid committing plagiarism and laws concerning downloading of copyrighted materials including music

Online literacy including instruction in how to identify credible, factual, trustworthy websites

Homeland security issues related to internet use

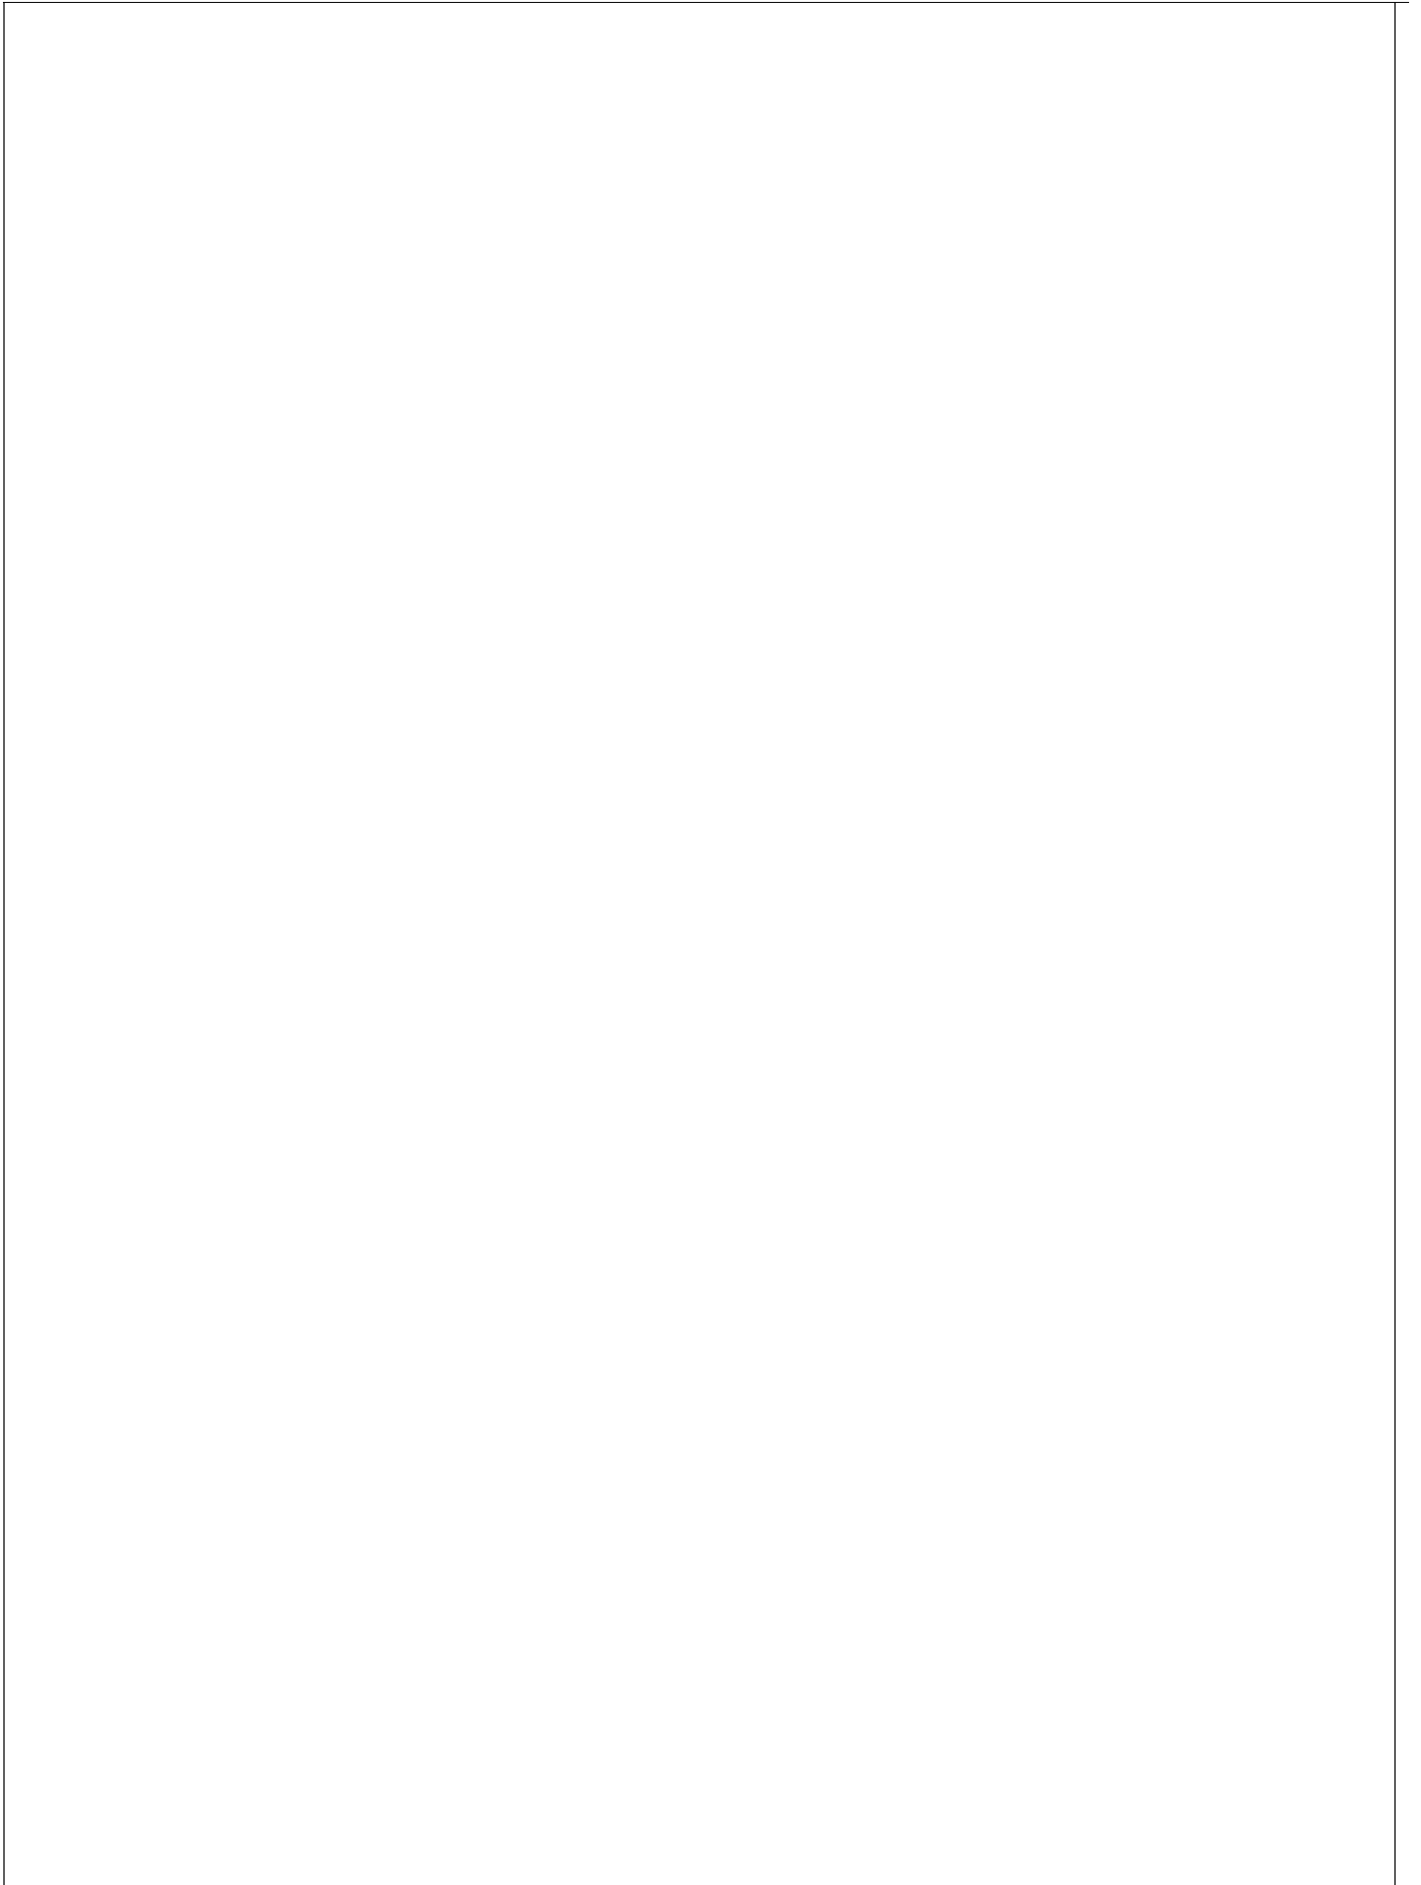

* 15. Do you have a plan to review and revise (if necessary) your Internet Safety Plan?

Yes

No

Describe:

16. Any additional comments regarding your Internet Safety Plan or policies (optional):

Agreements with state agencies: C.R.S. 22-32-109.1(3)

17. Does your school have a policy setting forth procedures to be used following instances of assault, disorderly conduct, harassment, making a false allegation of child abuse, or any alleged offense under the Colorado Criminal Code directed toward a school teacher or school employee by a student?

Yes

No

18. Does this policy include the following provisions (check all that apply):

Such school teacher or school employee shall file a complaint with the school administration and the school board

The school administration shall, after receipt of such report and adequate proof, suspend the student for three days in accordance with state suspension procedures, and shall initiate procedures for the further suspension or expulsion of the student where injury or property damage has occurred

The school administration shall report the incident to its attorney or appropriate local law enforcement, which shall, upon receiving such report, investigate the incident to determine the appropriateness of filing criminal charges or initiating delinquency proceedings.

19. Was this policy made in cooperation with local law enforcement, the juvenile justice system, and social services?

Yes

No

Emergency Readiness and Incident Management: C.R.S. 22-32-109.1(4)

* 20. Does your school have an Emergency Readiness and Incident Management Plan?

Yes

No

* 21. Have you contacted your local responders for help in creating or updating this plan?

Yes

No

* 22. Have you identified "Safety Teams" to respond to incidents?

Yes

No

23. Do you hold tabletop exercises to discuss and identify staff roles and responsibilities?

Yes

No

* 24. Do you have protocols for communicating with local law enforcement and parents in the case of an emergency?

Yes

No

* 25. Do you have an incident command post location in your school?

Yes

No

* 26. Have you identified a staging area for equipment when responding to an incident?

Yes

No

* 27. Do you have a plan to conduct all-hazard exercises in coordination with your first responders at your school?

Yes

No

* 28. Please identify which activities your school conducts (Check all that apply):

Monthly fire drill

One lockdown per semester

One shelter in place drill per semester

Other (please specify)

* 29. Does your school have a recordkeeping system to log all-hazard drills and lessons learned?

Yes

No

* 30. Do you have memoranda of understanding with your community first responders that define expectations and responsibilities on the part of the school and the responders?

Yes

No

* 31. Do you have post-exercise reports that assist you and your responders in assessing shortfalls and improvements needed?

Yes

No

* 32. Have key staff undergone the NIMS safety compliance training online?

Yes

No

* 33. Do you inspect your facility for hazards and inventory safety equipment, including radios, at least annually?

Yes

No

* 34. Have you coordinated with your local district on emergency response procedures?

Yes

No

* 35. Can your staff confidently list the order of steps they would take if a potential threat entered your school?

Yes

No

* 36. Do you currently have an emergency evacuation plan that has been practiced with your students?

Yes

No

* 37. Does your staff fully understand the policies and procedures involved in a school shut-down?

Yes

No

* 38. Please identify the policies that are in place in your school has (Check all that apply):

a policy that complies with FERPA and state law for sharing and releasing information directly related to a student in the interest of making the school safer

a policy screening new licensed and non-licensed employees

a policy ensuring that the school checks its employee list against updates from the Colorado Bureau of Investigation

an open school policy allowing parents and board members reasonable access to observe classes, activities and school functions with reasonable notice to the office

39. Additional comments on emergency readiness and incident management:

Final Comments

40. Please include any additional comments that were not addressed throughout this survey (optional):

Thank You!
