Upcoming Trainings

PEBC

Effective Mentoring and Coaching Institute

September 23-24th, 2019

Learn a collaborative and inquiry-based approach to professional communication. Focus on supporting colleagues' thinking around planning, reflecting and problem-solving.

Thinking Strategies Institute

November 12-15, 2019

Explore ways to promote deep learning and engagement. Learn how the workshop model, rich student discourse, and thinking-oriented classroom communities provide time for teacher modeling, student practice and self-reflection. Experience two lab classroom visits.

PEBC

Minds on Math Institute

December 3-4th, 2019

Learn how to address all eight of the Common Core Standards for mathematical practice within workshop model instruction.

Prepare learners with the problem-solving skills they need to make meaning of math, succeed on standardized assessments, and face life's many mathematical challenges.

Science Institute

March 3-4th, 2019

Catalyze the power of inquiry, thinking strategies and backwards planning to help students make meaning of scientific texts or experiences.

CDE Equity Convening

The Charter School Institute is partnering with the CDE Schools of Choice office to host its first ever Equity Convening. The purpose of this convening is to bring together a variety of stakeholders from across the state to collaborate, discuss, and pursue solutions that ultimately help close education gaps.

The first convening will take place on **Friday, September 6** at **MindSpark Learning in Lakewood** and will have a focus on inclusive practices in special education in charter schools.

Thanks!
