

## Virtual Board Meetings Checklist

School Name: \_\_\_\_\_

The [Colorado Open Meetings Law](#) (“COML”) permits school boards to conduct meetings entirely remotely through electronic means. Virtual meetings conducted by school boards should be compliant with [state law](#) and in alignment with [best practices](#). This checklist should be used by school boards to identify successes in virtual meetings and pinpoint gaps and opportunities for improvement. If a school board does not yet have an identified practice, it should take the appropriate steps to do so. CSI has provided additional guidance on this topic in [FAQ: Public Meetings & Public Notice Issues In Light of the COVID-19 Pandemic](#).
