

## Instructions

Review Error/Warnings reports for the following warnings: SE720, SE721, SE722, and SE724 warnings. Many of these warnings will turn into errors in the Cross LEA and post-Cross LEA phases of the collection.

- **SE720** - These students were marked with an Exit Type of 40, 50, or 70, but were reported in another school district during the current year. Please **change the Exit Type to a 13** - Transfer to a Public School in a different Colorado School District. **Notify CSI when you have made these updates to your SIS and we will update the records on our end.**
- **SE721** - Students were reported in another Colorado school district after your schools Exit Date. Please **change Exit Type of 13**. **Notify CSI when you have made these updates to your SIS and we will update the records on our end.**
- **SE722** - Warnings **will turn into errors** and indicate a student was exited from your school as 13 - exited to another district within Colorado. However, no record has been reported from another Colorado school district, so your school was the last school to account for that student.
  - These errors must be addressed by collecting and reviewing any Confirmation of Enrollment/Attendance or any other Adequate Documentation or Evidence of Attendance from the receiving school that may be available. Proof of attendance is necessary. You made need to reach out to receiving school to confirm they have included student accurately. See [CDE's list of Adequate Documentation](#) for each Exit Type.
  - Once all documentation has been collected for the student, please update your SIS and work with CSI to update the Exit Type for the student.
  - If a school does not have Adequate Documentation on where these students went after exiting, they must be coded as a 40 or dropout Exit Type.
- **SE724** -These students are currently coded as dropouts, expulsions, or transfers to a HSED program, but have been reported as attending a Colorado detention center after the exit date reported by your organization. **Please change the Exit/Withdrawal Type code to 26** (Transfer to a Colorado detention center in a different school district). **Notify CSI when you have made these updates to your SIS and we will update the records on our end.**

Email the Submissions Inbox ([Submissions\\_CSI@csi.state.co.us](mailto:Submissions_CSI@csi.state.co.us)) for any questions.
