# What is the Pandemic Electronic Benefits Transfer (P- EBT) Program?

# P-EBT

---

Families First Coronavirus Response Act (FFCRA) created P-EBT to assist families who lost access to free or reduced-price school meals due to school closures in response to COVID-19.

# Eligibility for P-EBT

## When is a Student Eligible?

The child is eligible for free or reduced-price meals and attends a school that operates the National School Lunch Program (NSLP), or attends a school that operates a provisional program

*and*

The child has not received meals at school because:

- The school was operating on a hybrid or remote schedule for at least 5 consecutive days; **or**
- The child has opted-in to fully remote learning/hybrid learning; **or**
- The student was absent due to a COVID-19 outbreak.

# Data Requirements for School Year Corrections and Summer

# P-EBT Data Collection in Data Pipeline

**There will be TWO separate Correction and Summer collections**

## **Fall Semester 2021 (Collected Aug 8-31)**

- August 2021 through December 2021 corrections
- Any students who were omitted
- Newly eligible FRPL students up to June 30, 2022

## **Spring Semester 2022 (Collected Sept 6-29)**

- January 2022 through May 2022 corrections
- Any students who were omitted
- Newly eligible FRPL students from July 1 up to August 26, 2022

# P-EBT Data Collection in Data Pipeline

Students submitted in either corrections collection or in original school year collections will be considered for Summer P-EBT benefit

**Students must be submitted in at least one of the collections to be considered for summer benefits (April, May, August or September)**

# Differences with this Corrections & Summer Period

Same general layout as previous two collections

For the **Spring** Corrections Collection a new learning modality for newly eligible students on or after **July 1, 2022 - 5 - Newly FRPL Elig-Summer PEBT Only**

Students submitted in both collections will be assessed for summer benefits automatically

# Tips for the P-EBT Uploads

- Provide FULL universe of students enrolled during the current School Year
- District can submit multiple records for the same student
  - Different school enrollments
  - Different learning modalities throughout the semester

# Guiding Principles for this Corrections & Summer Period

Students found newly eligible on or before **June 30** should be submitted in **BOTH** Fall (August) and Spring (September) corrections collections.

- Student found FRPL Eligible before July 1 will be considered retroactively for SY21-22 benefits
- Attendance data and Learning Modality and Timeframe data is **required** for the students to be considered for school year benefits

Students found newly eligible on or after **July 1** should **ONLY** be submitted in the September Spring Collection with a learning modality of “**5 - Newly FRPL Elig-Summer PEBT Only**”

- For students that were eligible on or after July 1, absence data or learning modality time frame data will not be required
