

# Postsecondary & Workforce Readiness

## Program Plan

---

# PSWR Program Plan

## Purpose

- Will guide the development of school's plan for the administration of PSWR programs.
- Designed to be an internal reference guide onboarding and training for school staff, as well as a point of reference for CSI.
- Can be modified as PSWR programming changes and adapts to school and student needs, and all changes must still meet state, federal and local rules and requirements.

# Completing PSWR Program Plan

## Program Plan Responsibilities

- CSI
  - Ensure CSI school compliance to federal and state PSWR requirements
  - Provide resources and support to schools as they develop and maintain PSWR Program
- CSI Schools
  - Complete School PSWR During “Year 0” planning
  - Adapt PSWR Program Plan as needs changes

# Program Plan Requirements

## ***PSWR Program Development***

### Section 1: PSWR Framework

- Identifying PSWR leadership
- Identifying PSWR professional development
- Identifying PSWR accountability indicator rating and factors influencing that rating

### Section 2: PSWR Programming

- How does PSWR program align with school's mission
- Ensuring equitable PSWR opportunities to all students
- Assessing PSWR program effectiveness

### Section 3: ICAP

- ICAP development, storage, and engagement
- How are ICAPS integrated into student conversations

## ***College Credit Opportunities***

### Section 4: Concurrent Enrollment

- Publicizing Concurrent Enrollment opportunities
- Connecting ICAP and Concurrent Enrollment

# Program Plan Requirements

## ***College Credit Opportunities (cont'd)***

### Section 5: ASCENT

- ASCENT Program Participation

### Section 6: FAFSA

- Identify school's FAFSA Completion Rate
- How does the school promote FAFSA completion

## ***Graduation***

### Section 7: Graduation Requirements

- Identify Measures of College and Career Ready Demonstrations required for graduation
- How do Measures promote graduation and PSWR for all students?

## ***Equitable Access***

### Section 8: Special Populations

- Identify engagements and practices that promote postsecondary opportunities for underrepresented student populations
